<https://portfolio.markwiththek.com/>

A web developer with over 3 years of experience building and maintaining responsive, user-friendly websites and applications, including freelance projects. Demonstrated leadership as a team lead and assistant lead in previous roles. Adaptable and open to learning new technologies to improve development outcomes and user experience.

WORK EXPERIENCE

Feb 2023 - March 2026

Commude Ph. Inc. (Front-end Web Developer / Assistant Team Leader)

- Developed and managed over 40 websites using HTML, CSS, JavaScript, and WordPress. Skilled in Git for version control and team collaboration.
- Worked a lot on WordPress, including theme customization, plugin setup, fixing problems, and safely updating core files and plugins.
- Created interactive and fast-loading animations using GSAP to make landing pages more engaging.
- Built reusable components and added dynamic content using Vue.js, Nuxt.js, React.js, and Next.js, including fetching data from APIs and updating pages.
- Worked with teams as an assistant team leader, helping with project planning, task management, and code reviews.

June 2024 - April 2026

Freelancing Front-end Web Developer

- Built responsive landing pages using clean and optimized HTML, CSS, and JavaScript.
- Developed Nuxt.js and Vue.js applications by connecting to APIs to fetch and update dynamic data using reusable components.
- Gained extensive experience in WordPress, including customizing themes, configuring plugins, troubleshooting issues, and safely updating core files and plugins.

Nov 2018 - Jan 2023

BPO Payment Officer (Team Leader)

- Ensured timely and accurate processing of client payments while maintaining a high level of customer satisfaction and resolving payment-related inquiries efficiently.
 - Led a team to consistently meet operational targets, and provided coaching to maintain service quality and compliance standards.
-
